NATIONAL TREASURES
A TOUR OF CULTURE BEARERS IN NATIONAL PARKS
The United States will commemorate the 250th anniversary of the Declaration of Independence in 2026—creating opportunities to reflect on the progress and promise of our Nation.

NCTA proposes a curated showcase of our country's culture bearers that highlights the stories of America's most distinguished cultural ambassadors—NEA National Heritage Fellows and their collaborators—and illustrate connections to signature places within the American landscape through the National Park Service. National Heritage Fellows and the National Parks are National Treasures, each beautifully stewarding our cultural and natural heritage forward to the next generation.
National Treasures is presented by NCTA in collaboration with the NPS. National Treasures is supported by federally appropriated funds and contributions from businesses, foundations, and individuals.

NCTA offers a range of sponsorship opportunities for businesses, partners, and individuals who want to be involved in supporting National Treasures, an historic 2026 United States Semiquincentennial program.

Your support of National Treasures helps NCTA to preserve the traditional and folk arts in the United States and ensures that the music, traditions and stories are passed from one generation to the next.

One of the easiest and most common ways to support National Treasures is through a gift of cash. If you prefer to speak with a member of the NCTA staff about your gift, or want to learn more, please contact us at: 301-565-0654 X19 or email nationaltreasures@ncta-usa.org
